Special Instructions:

Where the rate is dependent on value, shippers are required to state specifically in writing the agreed or declared value of the property. Carrier's liability for lost or damaged goods shall be limited to a maximum of $25.00 per pound unless indicated otherwise. Carrier shall not be liable for incidental or consequential damages arising from the loss or damage of product shipped hereunder. **The agreed or declared value of the property is hereby specifically stated by the shipper to be not exceeding $25.00 per lb.**

Subject to Section 7 of Conditions of applicable bill of lading, if the shipment is to be delivered to the consignee without recourse on the consignor, the consignor shall sign the following statement:

The carrier shall not make delivery of this shipment without payment of freight and all other lawful charges.

RECEIVED, subject to the classifications and published tariffs, which carrier shall make available upon written request, in effect on the date of the issue of this Bill of Lading, the property described above in apparent good order, except as noted (contents and conditions of contents of packages unknown), marked, consigned, and destined, as indicated above which said carrier (the word carrier being understood throughout this contract as meaning the person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed as to each carrier of all or any of said property over all or any portion of said route to destination and as to each party at any time interested in all or any of said property, that every service to be performed hereunder shall be subject to all the conditions not prohibited by law, whether printed or written, herein contained, which are hereby agreed to by the shipper and accepted for the shipper and its assigns.

This is to certify that the above named materials are properly classified, described, packaged, marked and labeled and are in proper condition for transportation, according to the applicable regulations of the Department of Transportation.
